MWGM Fitch, RWDGM Walker, MWPGM, Grand Lodge Officers, Worshipful Masters, Past Masters, Wardens and Brothers:

Greetings:

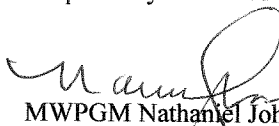

Your CCFC begs leave to make the following report: All correspondence received in this committee was acted upon expeditiously and follow-up communications initiated where indicated, Communications were received in one of three forms, at least; telephonic, electronic, US Postal Service, and rarely, Orally by direct contact. We are pleased to report that each contact was successfully negotiated, and there remains no unfinished work in this committee.

Copies of basic communications (or indicators) are appended to this report to be placed in the archives. (the term "Indicators" refers to Get Well Cards, Sympathy Cards, etc. etc., and are annotated on the basic correspondence.)

The CCFC do not object to assisting in locating members, or helping certify prospective candidates for the Order of the Eastern Star. But dimits and restoration actions are best handled through the RWGS office, since they involve funds and ultimately wind up with RWGS for administrative action.

This completes the report of the CCFC. I thank you and may GOD continue to bestow many blessings upon us all.

Respectfully submitted

MWPGM Nathaniel Johnson, CCFC
