**RE: Annual Report of the Board of Chaplains**

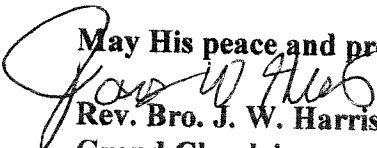

**Grand Master, Deputy Grand Master, Wardens, Past Grand Masters and members of the Prince Hall Grand Lodge of North Carolina, my report is as follows. My brothers, it is my pleasure to report that the spirituality that exists across this Jurisdiction is progressing very well. Even though the participation of our many brothers is much less than our hearts desire, we are still praying that the God of Heaven will continue to manifest Himself in all our devotions.**

**The Board of Chaplains continues to serve across this Jurisdiction in many capacities. We continue to visit and call our sick brothers and sisters on behalf of our Grand Master. We attend funerals, preach St. John Days, Prince Hall Days, and anniversary sermons across this Jurisdiction. We pray on a regular basis and ask for peace and harmony in this Grand Order. I personally would like to thank the members of our Board of Chaplains who sacrificed time and resources as they carried out their duties. Thanks to Rev. Bro. Harold Daniel for ministering to our late R.W. Grand Secretary in his sickness, Rev. Bro. Odell Moore and Rev. Bro. Fred Alexander for their attendance at the funeral services of Grand Treasurer Mitchell in Clarkton, NC. May God bless each of them.**

**The Board of Chaplains planned and carried out our Inspirational Service on September 21, 2006 at the Grand Lodge Headquarters. The service was very poorly attended by our brothers. Only two deputies and one elected grand lodge officer attended, but God still met us there.**

**The Board of Chaplains' prayer is that the God of Heaven will manifest Himself in all our efforts. If the Board of Chaplains can be of help in any way, we are as close as a phone call or prayer.**

**May His peace and presence saturate this grand setting.**
