

Most Worshipful Prince Hall Grand Lodge of the Jurisdiction of North Carolina
Grand Lodge Webmasters Annual Report
For 2005-2006

The Grand Lodge Website Team of the MWPHGL of the Jurisdiction of North Carolina submits its 2005-2006 Annual Report. We have had a very successful year.

During this fiscal year we have maintained the Grand Lodge Website with a 99% uptime. During the year we have had several updates to the website, one of which includes a message board which allows visitor and brothers a place to post questions and have a discussion group on various different topics. There are strict rules associated with the message board not allowing any Masonic intercourse online. The site also allows members to go and post information about the Sick and Distressed Brothers and the Posting of the Death Notices. These informational posts can be done by any member of the message board. These enhancements to the website allows for better and faster communication to the craft. No more waiting for one individual to update the information on sick and distressed or death notices, all members have the ability to post this information. The site is maintained by Brother Cornell Starling, from East Lily Lodge #803, in New Bern, NC. I would like to personally and publicly thank him for his efforts in getting this accomplished.

The website also has a new location for viewing past event photos. This new feature allows all of our Grand Lodge Photographers to be able to post the picture that they take directly to the website, without any intervention from the website team.

During the 2005-2006 year we have posted two Quarterly Online Newsletters, and various other forms and communications. This did cost the Grand Lodge any money for publishing. The website also has a location in which lodges or individuals can submit articles for the quarterly newsletter, directly to the editor.

Recommendations/Requests for the 2006-2007 year:

- 1- I would like to have Bro. Cornell Starling official appointed onto the Grand Lodge Website Team to continue assisting in the maintaining of the Grand Lodge website and updating the message board.
- 2- Provide precise instructions to the brothers when submitting request to have information posted on the Grand Lodge website.
- 3- Solicit other members of the craft to join the website team.

We the members of the MWPHGLNC Website Team submit this as our official annual report. Please feel free to contact me at 919-201-1924 or webmaster@mwphglnc.com

Thank you,

PM Eddie W. Lindsay, Webmaster of the MWPHGL of NC
